

Honey: receiving bulk honey shipment from beekeepers

1. User:
 - beekeepers who purchase barrels of honey for packing or bulk resale
2. Frequency of use:
 - as required
3. Reasons for recording this information include:
 - business management
 - it provides a record of bulk honey inventory and honey samples from purchased honey
 - food safety
 - provides a tool for tracing potential contaminants in honey
 - part of overall management to reduce potential contaminants in honey
4. References to the Bee Biosecurity Standard and CBISQT:
 - Bee Biosecurity Standard: none
 - CBISQT: pages 68, 71-72, 75-76, 78 and 102
 - this template is an adaptation of CBISQT forms 7.0.2 (page 132-133) and 8.0.5 (page 141)
