## Contact list

- 1. User:
  - all beekeepers
- 2. Frequency of use:
  - as required
- 3. Reasons for recording this information include:
  - communication
    - ease of contacting people relevant to the operating of the beekeeping operation
    - helps to ensure correct actions taken by having ready access to communication with key people
- 4. References to the Bee Biosecurity Standard and CBISQT:
  - Bee Biosecurity Standard: page 86
  - CBISQT: page 102
  - this template is an adaptation of Bee Biosecurity Standard form 9.0 (page 151)
- 5. General comments:
  - keep the information updated and easily accessible
  - provincial government contact information can be found in the Bee Biosecurity Standard Appendix A: Provincial contact info (page 86)
  - beekeepers may find it handy to keep a paper copy of this information in their bee truck/vehicle
